CIRCULAR

CGHS receives request from CGHS beneficiaries for issue of Keto-Analogues/Amino Acid preparations. Matter has been examined by the expert Committee who opined that "Evidence for use of Keto-Analogues/Amino Acids in CKD is very weak. KDIGO (Kidney Disease Improving Global Outcome) guidelines of 2012 also do not recommend the use of Keto-Analogues/Amino Acids in CKD. So the Committee is of the opinion that the use of Keto-Analogues/Amino Acids is not indicated in CKD patients".

In view of above opinion, Keto-Analogues/Amino Acid preparations are not to be indented/issued in CKD patients. Previous Circular No. vide file no. 32-27/07-08/CGHS/MSD/16961 dated 11/11/2009 is no more valid.

This issues with the approval of Competent Authority.

Yours sincerely

Dr. (Smt.) Madhu Gupta
Addl. Director, CGHS (MSD)

Date: August 3, 2009

C O R R I G E N D U M

Subject: Non-admissibility of preparations such as primary food, tonics, cosmetics and vaccines.

The undersigned is directed to invite reference to the Office Memorandum, of even number dated the 23rd July, 2009, on the above subject, and to refer to para (iii), in which a typographical error has crept in. The para (iii), as it appeared in the Office Memorandum is reproduced below

"(iii) vaccines in general will be *admissible*, except Hepatitis B, influenza and Leprovac vaccines for high risk individual is recommended by specialist with justification and countersigned by HOD of concerned speciality of Government Hospital."

The paragraph (iii) may be amended to read as follows:

"(iii) vaccines in general will be *inadmissible* except Hepatitis B, influenza and Leprovac vaccines for high risk individual is recommended by specialist with justification and countersigned by HOD of concerned speciality of Government Hospital."

There is no change in other paragraphs in the Office Memorandum of 23rd July, 2009, referred to above.

Dated 28th Jul 2009

OFFICE MEMORANDUM

Subject Non-admissibility of preparation such as primarily food, toxics cosmetics and vaccines

The undersigned is directed to say that the question of admissibility or otherwise to beneficiaries under CGHS/CS(MA) Rules 1944 of preparations which are primarily food, vitamins, haematinic minerals, anti-oxidants, cosmetics and vaccines, has been under consideration for some time. On the recommendations of an Expert Committee and Drug Controller General of India, it has been decided that:

- (i) Product manufactured/marketed as food supplement, cosmetics and ayurvedic preparation prescribed by allopathic doctors will be inadmissible.
- (ii) Supply of vitamins, minerals and anti-oxidants will be restricted to prevalent CGHS formulary only.
- (iii) Vaccines, in general, will be admissible, except Hepatitis B, Influenza and approved vaccines for high risk individual, is recommended by specialist with justification and countersigned by HOD of concerned speciality of Government Hospital.

These instructions take effect from the date of issue of the Office Memorandum.
